

The Read Rooms (Read Rooms I & II)

Located on the 21st Floor of the Chase Tower, the Read Rooms provide guests a South Austin view overlooking Lady Bird Lake, the Austonian, the Hill Country and a spectacular sunset. Read Room I has pocket doors that when closed create a stand-alone room. When available, the doors can be opened to eliminate the separation between Read Room I and Read Room II. Read Room II is frequently used as a mingling and cocktail space for dinners in Read Room I. The entire space can also be used as a reception area.

*Note that this space can be combined with the Nash room when it is available in the evenings for a larger space.

Recommended Capacities:

- seating for 4-12 people on a round table in Read Room I
- seating for up to 36 people on multiple round tables in Read Room I
- seating for up to 22 people on a boardroom style rectangular table or hollow square
